Meeting to Discuss Affordable Housing

Colleagues,

As chair of the Housing, Planning, and Development Committee, I'm starting an initiative to reboot a community conversation around affordable housing. I will be calling a meeting of the committee on April 27 to have planning department staff talk us through existing programs and efforts, pain points they've encountered, and plans for the future.

This is all designed to give council a better understanding of where we are, and as a start of an initiative to find out where we CAN be, and how council can help enact meaningful progress on the very serious issue of housing affordability in the community.

Sincerely,

Bryan Evans
