Re: Tree Advisory & Education Board Annual Report

Dear Members of Council,

Per Section 152.05 of the City's Code, the Tree Advisory & Education Board is required to arrange an annual meeting with City Council's Public Works Committee to discuss its work.

To help our community better understand what efforts are being undertaken by the Board and the Public Works Department staff, we invite members of the Tree Advisory & Education Board and Acting Director Papke to discuss the condition of the City's tree canopy, and to address questions from Council and the public at an upcoming meeting of the Public Works Committee.

On behalf of Council, we would like to express appreciation to Tree Advisory & Education Board members for their work this year and look forward to their analysis of the efforts undertaken to ensure Lakewood remains a beautiful, forested city.

Move to refer to the Public Works Committee.

Sincerely,

Sarah Kepple
