RE: Cuyahoga County Solid Waste Management Plan Update

Dear President Kepple & Members of City Council,

In accordance with Ohio Revised Code Sections 3734.53, 3734.54 and 3734.55 the Cuyahoga County Solid Waste Management District Policy Committee prepared and adopted a final draft of the Cuyahoga County Solid Waste Management Plan Update. Please find attached a resolution that, if adopted, would ratify the update to the plan for the years 2026-2040.

The Cuyahoga County Solid Waste Management District requires the City of Lakewood's (and other Cuyahoga County municipalities') approval of the update. Lakewood, as a city in Cuyahoga County, is a member of the county's solid waste management district, which is a product of the Ohio Revised Code and is overseen by a board of county officials. The Cuyahoga County Solid Waste District is responsible for implementing the Plan Update which contains programs and services that support waste reduction and recycling. All the existing programs and services offered by the Cuyahoga County Solid Waste District will continue with the ratification of this Plan Update while some new programs will be initiated.

I request that City Council pass the attached resolution or refer to the necessary appropriate committee for review. Please let me know if you have any further questions.

Respectfully,

Chris Gordon

Chris Gordon
Director of Public Works
